Iranian Peace Studies
Scientific Association

Scientific - Specialized Groups

The Iranian Peace Studies Scientific Association has executed a large part of its scientific and research activities through various scientific- specialized groups. At present, there are 10 scientific- specialized groups in the Association. Each group has focused upon a special field of peace studies, and their members are experts of that field. These groups known as the main pillars of the Iranian Peace Studies Scientific Association hold alternate meetings, seminars, conferences and workshops, publishing articles and books and conducting research projects in their field of activity.

Some of these groups are

- ✓ "Women and Peace" Group
- ✓ "Books Review and Peace" Group
- ✓ "Environment and Peace" Group
- ✓ "International Relations and Peace" Group
- ✓ "Law and Peace" Group
- ✓ "Art and Peace" Group
- ✓ "Literature and Peace" Group
- ✓ "Translation and Peace" Group
- ✓ "Sports and Peace" Group
- ✓ "Sociology and Peace" Group

Scientific Activities

1. Participation in holding more than 20 international festivals, national conferences and art festivals;
2. Holding more than 20 scientific meetings such as seminars, books review, pathology and etc.
